ATTENTION BROKERS-IN-CHARGE!

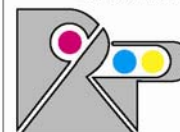

Broker-in-Charge please go to www.ncrec.state.nc.us between May 15th and June 30th to verify that all agents under your supervision have renewed their licenses.

This is important because you, as broker-in-charge, are subject to disciplinary action if a broker at your office continues to list, sell, etc. real estate after his or her license is expired. Also remember they must have an active license to receive any commission.

A proposed rule change: Require provisional brokers to have the consent of their broker-in-charge to advertise any real estate brokerage service, and to include in any advertisement the name of the broker-in-charge or the firm with which they are associated. Our note is that the REALTY WORLD® logo is required on all advertisements.

The gang from REALTY WORLD® - CAROLINA LIVING joins Habitat volunteer students and professors from

Springfield College in Springfield, Mass. Bill Best brought rolls, NC Barbecue, slaw, baked beans and homemade baked macaroni and cheese and Chris Stone brought her famous Mississippi Mud pie. The kids went wild! Needless to say, everyone was lifted in spirit and left with full bellies and happy hearts!
